Kenny and his legacy.....

"Freedom is not free" - The men and women who put on the uniform know this all too well. Too often we forget the sacrifice of those who serve in our armed forces. Kenneth John Schall made the ultimate sacrifice on May 22nd, 2005. He was killed in action while serving in Iraq.

Kenny was inspired to join the army following the events of September 11th. He has left us with the knowledge that **"One person can make a difference"**. This event is to honor that belief. Whether you have served, you have known someone who has served or perhaps you have been moved to make a difference; we encourage you to participate in this worthy tournament.

It is time for the 13th Annual Kenny Schall Memorial Golf Tournament. This event raises money for the "Kenny Schall Memorial Scholarship Fund". Kenny was studying to become a H.S. History teacher, so this is our way of honoring him and providing opportunities to a deserving young adult. This event promises to be one of the highlights of the year for all who attend.

Kenny was born and raised in Peoria, Arizona and he was an avid golfer. He attended Centennial High School and Glendale Community College, where he played on their golf teams. Through the generosity of the community and all who have played with us over the years, we have been able to fund over \$122K in scholarships to 37 students.
